Happy New Year all! Glad to see everyone made it through the Holidays. Don't forget it's time to start thinking about AMA dues and club dues. I know a lot of us like to fly in the winter time. You need to have your AMA before you fly! It's not worth it taking a chance without it!

Please remember to use the frequency pins at the field. If there is something that needs attention at the field, please bring it to one of the club officer's attention or bring it up at the next meeting. If anyone is interested in any club activities this spring/summer, please mention it at a club meeting.

Club Meetings: All members are welcome and urged to come to the monthly meetings that take place on the first Monday of each month. When the first Monday of the month is a holiday, the meeting will take place on the following Monday. **The meetings start at 6:30 p.m..** Remember that
