## CALENDAR OF EVENTS

|-----|---------------------|
| 5/7 | <b>Club Meeting</b> |
|-----|---------------------|

**It's almost spring time!** So remember your club dues and AMA membership. Also remember how muddy the road to the field gets!! There's no one there to pull you out! Don't forget to charge Tx/Rx batteries. When in doubt, buy new ones.

**Please remember** to use the frequency pins at the field. If there is something that needs attention at the field, please bring it to one of the club officer's attention or bring it up at the next meeting. If anyone is interested in any club activities this spring/summer, please mention it at a club meeting.

**Club Meetings:** All members are welcome and urged to come to the monthly meetings that take place on the first Monday of each month. When the first Monday of the month is a holiday, the meeting will take place on the following Monday. **The meetings start at 6:30 p.m..** Remember that we now meet at the GOLDENRODS Restaurant on Candia Rd in Manchester.

**OUR AUCTION!!!** Well, as someone put it, "a

bar-b-que with airplanes", went slow at times, but we had a lot of fun! The first year since I've belonged, we've had to handle the concessions also. Getting everything together was like a Chinese fire drill, but it turned out VERY well! We actually made money selling food, thanks to a lot of donated time and items.

We also had 4 people sign up as new members! Welcome aboard!

Although not a buying frenzy like last year, Jim Sarette managed to cajole the people that were there to buy some of the material that was there. Bravo, Jim!! We cleared around \$300.00 between the auction and raffle. Well done to all!!

So come to the meeting on Monday and we will have a better breakdown of the profits and we can start to plan our next event!! We can't do it without YOU!
