As I write this newsletter it seems that fall with a hint of winter has arrived. Take heart , we still have many nice flying days before the snow flies (I hope).

Important reminder! Monday the 6th is the next club meeting and it is very important because we will be planning for the fall field clean up day, which will be Saturday October 25th. Be sure to come!

It was great to see all of the club members who attended N.E.A.T. Fair. We all did lots of buying from the numerous vendors. All the club members flew without incident, except for myself. This was my first time flying at N.E.A.T. so it was a bit unnerving. After a fairly sucessful flight I somehow

managed to find the trees along the ridge next to the field. The plane had soft landed about ten feet up. A little tree shaking persuaded the wayward bird back to terra firma. With just a minor hole in the wing, I got lucky. The hole was easily repaired with a free sticker from Castle Creations.

We were all dazzled by some of the finest pilots in the country during the midday demonstrations. Chon Cottrell and I took lot of video which will be in our second annual DVD due out at the Christmas party. For those members who have not been to N.E.A.T., I would definitely encourage you to join us next year.

Chon and I also attended the Avition Heritage Festival at Nashua Airport on Sept. 20th. Small show, but a real good opportunity to see a B-17, B-24 and B-25 up close.
