As you can see the newsletter is back from hiatus. My apologies for the lack of newsletter over the winter. I will endeavor to keep everyone better informed over the upcoming flying season. One way I can do this better is for everyone who has an interesting tidbit to add to the newsletter, please send them to me.

First on the agenda this issue is the auction is coming up in 24 days. I urge everyone who can to attend the next meeting on Monday (4/5). We will be planning the event and getting volunteers for various tasks.

Also, the field clean up is coming up and this year as a special project we will be renting a bulldozer to grade an expanded field area for use as helicopter/HLG area and cross wind landing strip. The club has asked for a voluntary special contribution of \$10 per member to help fund this project. If you would like to contribute please contact Jim Sarette or Jim Sweeney. Below is a photo showing the improvement area.
