May 2005

AMA Chapter 4137

Upcoming Events:

- May 21st 9am-2pm – Field Day
We would like to concentrate on tree cutting this spring. Bring your chainsaws, etc.
- June 13th – Club Business Meeting at Goldenrods Restaurant
- Every Wednesday Night – Wednesday Night Madness flying at the field

Wednesday Night Madness Is Back!

Dust off your planes, charge up your batteries and head out to the field after work on Wednesday nights. Spring has finally sprung and the Wednesday night faithful are back at it again this year.

There's a little bit of everything on Wednesday nights. Willie sometimes shows up with his giants, there's usually a glow plane or two, plenty of electrics and of course you know there will be the usual suspects flying their Gambler DLGs.

So far we've had three good outings. You can see plenty of photos (like the one above of Rich in his element) on the club website in the events section for 2005.

If there is interest we may even organize some fun events for some of the Wednesday nights. Anyone remember the Cut-and-Glide contest a while ago? Good fun. How about most loops in 2 minutes, or my favorite, most Zagi touch-and-goes in one flight.....INVERTED! See you all there.

Field Day is Saturday, May 21st

Field day is Saturday, May 21st. We're hoping to get some good work done and clear up some more of the approach lines by doing additional tree cutting.

The brush around the field is still in very good condition from last year's field days, so we're going to wait to rent a brush hog until fall field day this year. Instead we're hoping to concentrate our efforts on clearing additional paths through the larger trees, and clearing the approach from the right side.

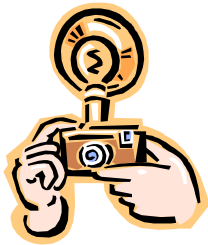

Please bring your chainsaws, and any weed-

whackers with the blade type attachments. If you don't have either, do not worry, there's always room for a hand clearing cut brush for those with the heavy tools.

Bring something to fly and an appetite. We'll have the grill running for sure, and after the work there will be plenty of time to fly, have fun, and generally shoot the bologna.

Support the club, take care of YOUR field, and have fun. How can you possibly say 'no'?

Club Auction – We Did It Again!

Well, we did it again. With many other clubs having little or no success with their auctions, we managed to have another successful auction this year.

Jim Sweeney reports the following profits:

- Auction \$166
- Raffle \$21
- Food \$117

The club officers would like to thank everyone who helped. Great Job everyone. Hopefully next year we can get even more club member participation.

The Club DVD show was also well received by the audience.
