- November 7th – Club Business meeting at Goldenrods.
- Every Wednesday Night – Wednesday Night Madness flying at the field

Field Day – October 22nd

Field day is October 22nd. Please come out and support the club by helping out. We'll have at least one 'bush hog' machine rented. We could use people with chainsaws and bladed trimmers. We're going to continue our annual battle with the encroaching growth. We also need to maintain the fence by replacing all of the failed zip-ties on it.

After working on the field, we'll of course be doing some flying and having some all around fun. We're planning on firing up the new grill and cooking some burgers and dogs. Don't miss out on all the fun!

Club Business & New Officer Nominees

It's that time of year again. Elections are at next month's meeting. Please show up and vote!

And the nominees are:

President: Tim Bourgeois

Vice President: Chon Cottrell

Secretary: Jim Sarette

Treasurer: Jim Sweeney

Webmaster: Allan Wright

Training Officer: Chuck Keller

Field Marshal: Brad Chisholm

Safety Officer: Richard Seymour

Some discussion was raised about procuring a mower to leave at the field, since not having one

is limiting our choice of field marshal to only those who can trailer a mower to the field. It's hoped that we can find a used/free mower and fix it up to use to save costs. I'm sure discussion will continue on this at next month's meeting.

Also slated for next month's meeting is continuing discussion of a small increase in annual dues. Our dues haven't changed in many years and an increase is needed to insure we can afford to properly maintain the field and pay our expenses.

Final business slated for the November meeting is finalizing the details for the Christmas party. We're leaning towards having at the same place as last year.

Please come to the November business meeting to vote and discuss these important issues.
