Field Day: I would like to say we had the best turnout on field day in the 14 years that I have been a member. We accomplished so much work Saturday. If you were unable to attend or wasn't able to stay the entire time this is what we did:

- 2 new tables built
- 2 old rotten tables removed
- Shed caulked and painted
- Shed ramps built
- Field mowed, weed wacked
- Field perimeter brush hogged out about 15-20' on the sides and 30'-40' on the ends
- Right hand end of the field heavy brush cut about 30 yards wide all the way to the road

CLUB MEETINGS: All members are welcome and urged to come to the monthly meetings that take place on the first Monday of each month. When the first Monday of the month is a holiday, the meeting will take place on the following Monday. **The meetings start at 6:30 p.m.** We will be meeting at the field in the months of June until September and if it rains that day the meeting will be at Goldenrods.

Field Noise / Flying Times: In order to keep nearby neighbors and residents happy, a person can fly **and/or run up engines/motors**
